It is important to recognize this is a 'fictitious' address, trust your GPS. There are no addresses on campus.

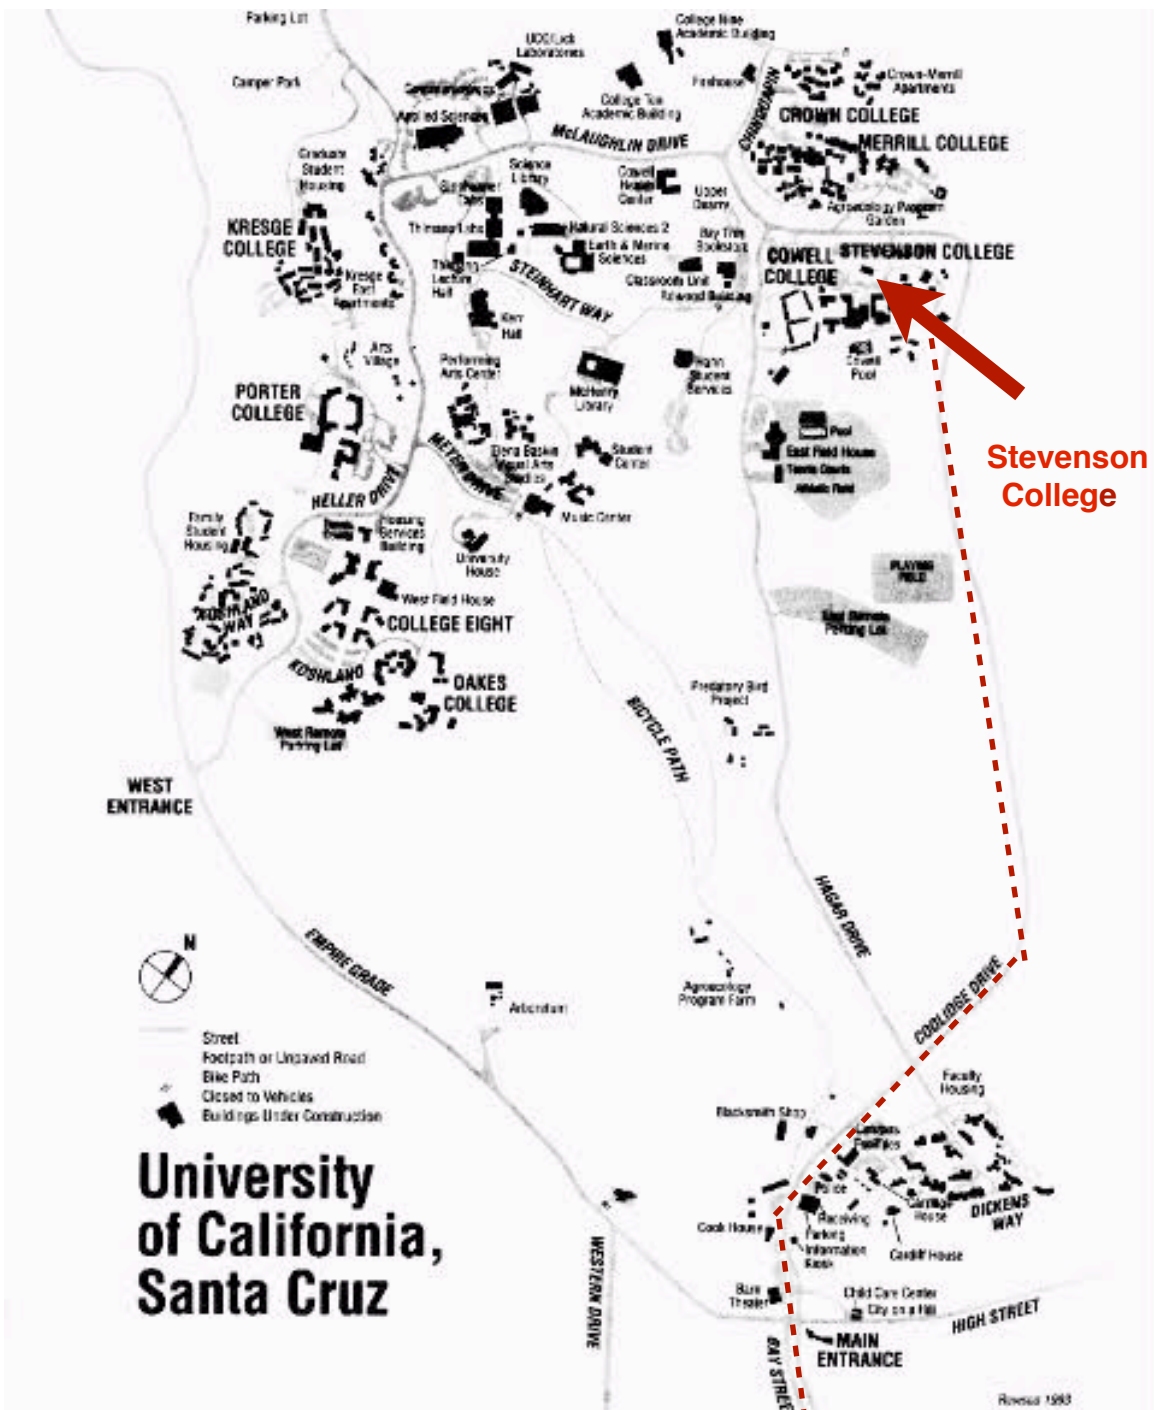

The address for UCSC (University of California, Santa Cruz) 1156 High Street, Santa Cruz, CA 95064) gets you to the **main gate**, then there are 20,000 acres beyond the main gate.

The golden rule is '*Ask Someone*' how to get to Stevenson College in August.

Follow signs to Stevenson College, thru the main gate, and then to the 2nd stop light; then either left or straight, either way thru the great meadow or straight on will take you to the top of campus and Stevenson College.

**July 16** follow signs to “**NLPU**” as usual.

**August 15-16**, follow signs to “**East Conference Office**” and “**NLPCommunity.org.**”
